

EUCASS-3AF Conference

Dear aerospace colleague,

In 2020 France and Belgium had decided to join forces and invited you to Lille (France, #hellolille) from July 4th to 9th, 2021, on the occasion of the **9th European Conference for Aerospace Sciences** organised by **EUCASS**. This edition, which was supported by the **Association Aéronautique et Astronautique de France** (3AF and the regional clusters **Aér'Hauts-de-France**, **Normandie Aerospace** in France and **Skywin** in Belgium, had to be postponed for obvious sanitary reasons.

The new dates and venue are:

July 3rd-8th, 2022

Lille Grand Palais (France)

After the years 2020 and 2021 that have been so hard for the aeronautical and space communities, EUCASS would like to offer you a face-to-face meeting with your colleagues. This is the reason why we decided that **EUCASS-3AF-2022** would not be virtual nor hybrid.

EUCASS-3AF 2022 will thus be an opportunity for us all to re-establish direct scientific contacts.

If you hadn't submitted a paper, you are invited to send us a 500-word abstract by the deadline of January 15th, 2022.

In case you already submitted a paper, you have the possibility to maintain, modify, update or withdraw. You may of course also submit a novel abstract on a different topic. To proceed, just log on your **profile page** (you needn't fill in a new submission form), with your last name and your reference.

Authors of accepted abstracts will be invited to prepare a full 10-15-page paper and submit it before the deadline of June 20th, 2022.

To submit your contribution, just follow the instructions given [here](#).

The new deadlines are:

January 15th, 2022: Deadline to submit or modify an existing submission

March 22nd, 2022: Notification to authors

By mid-April 2022: Preliminary program elaborated and published online

May 28th, 2022: Early bird fee deadline

July 3rd-8th 2022: Conference at Lille Grand Palais congress center

Please do not hesitate to contact us for any additional information.

Looking forward to hearing from you, with best personal regards,

Alain Merlen

EUCASS President
